Snowshoe with Talaysay – Cypress Mountain

We are excited to share a snowshoe tour with you and your group here on the North Shore Cypress Mountain. This is an adventure tour with indigenous stories and lore of the land. Your guides are both local indigenous and local 604 guides from Vancouver and the Sunshine Coast. This snow day experience includes culture, stories, snow hiking and amazing vista views. There are options to stop and take breaks en route and if you require a bit more time we can accommodate an extended schedule as needed.

What you need for this tour: You will need your own ankle high hiking boots or snow boots. Dress for the weather and layers are recommended. Waterproof and or shell outdoor pants and a jacket suited for water resistance and cooler weather is recommended. Bring a toque and gloves.
